kenny ahern

**Kenny Ahern is
just plain funny.**

He has toured the globe from Moscow to Minneapolis, delighting audiences of all ages with his cleverly controlled comic bedlam.

Think... Dick Van Dyke meets Charlie Chaplin, with a zany contemporary flair.

Every performance of Kenny's is a refreshing and inventive physical comedy style show, filled with exceptional skill, mischievous audience play, unforgettably hilarious body language & facial gestures, and heartwarming wit.

He's a nice guy, too!
