SEAN EMERY

A true original, Sean Emery's performances showcase his sparkling wit and broad antics such as when the rubbery-faced comedian peels himself off the floor after a face-flat fall from a unicycle.

No one works a crowd like Sean Emery. His infectious personality will infuse your event with laughter and bring smiles to all ages.

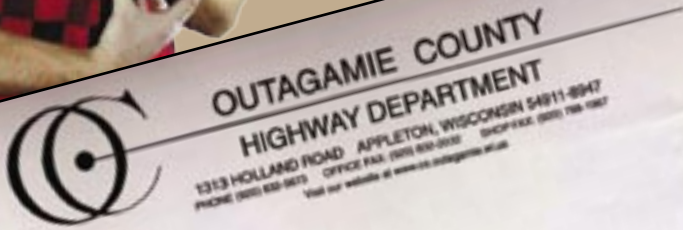

NG!

Sean's comedic interpretations and props of every variety let loose a multitude of eccentric and energizing characters that spring freely from his feverish imagination.

Dear Tim,

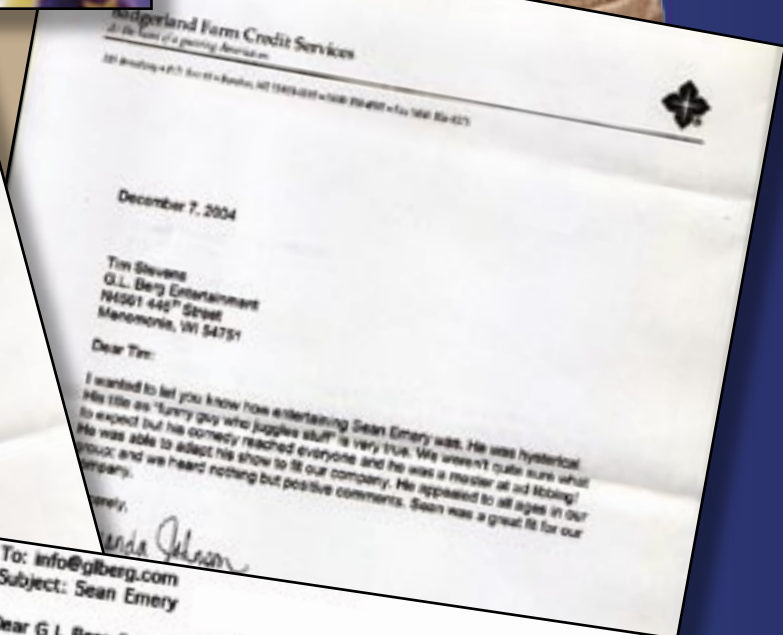

We were so pleasantly surprised with Sean's performance during our Wisconsin County Highway Commissioner's and Committee Member's Conference in Appleton. He's even funnier and a much better performer than he comes across on his promo video!

It appeared as if everyone in attendance thoroughly enjoyed it. He singled out the most appropriate people to have direct contact with during his performance! From the lady right in front of the stage, to the lady with the cell phone that started ringing during his performance.

He met with us briefly prior to his performance and asked just a few questions about the group. Based on this he was able to personalize his performance for the crowd. I would highly recommend him to anyone looking for an entertainer.

Thank you so much for having such quality entertainers to choose from.

Sincerely,

Dear Tim:

I wanted to let you know how entertaining Sean Emery was. He was hysterical. His title as "funny guy who juggles stuff" is very true. We weren't quite sure what to expect but his comedy reached everyone and he was a master at ad libbing! He was able to adapt his show to fit our company. He appealed to all ages in our group and we heard nothing but positive comments. Sean was a great fit for our company.

Dear G L Berg Entertainment,

I would appreciate it if you could pass this on to Sean Emery. We saw him this past weekend (Jan 10) here in New Ulm, MN as he was the hired act for the HyVee Christmas Party. And let me tell you, he was the best act we have seen at the HyVee party yet! I've been attending these parties for the last 8 years or so with my wife (who is the HyVee employee) and Sean was just awesome. Very funny and extremely talented, a deadly combination. In years past, the entertainment used to be a DJ or a band for people dancing to. However, not many people stuck around to dance so it switched to comedy acts that usually consisted of comedy of some sort. Sean, by far, is the best that I have seen. He was just incredible.

...that he not only works hard on stage, but also hauls his own equipment, sets it up, does the act and please pass on my thanks and appreciation for a job well done.

...were performed at our school yesterday and was a big hit. Kids were laughing so hard tears were running down their cheeks. We so much fun during school hours! Thanks for your help in arranging money.) Sean also made a generous donation. (That's a lot of money.) Sean also made a generous donation. (That's a lot of money.) Thanks again, [Signature]

LAKE REGION HEALTH CARE - FAREYS FALLS

Teri Ann - Sean did a fantastic job. I thought our entertainment last year was good and would be a hard "act" to follow. Sean, however, proved that wrong. I had lots of people go out of their way to tell me HOW MUCH they enjoyed Sean! Thank you Teri Ann for making such great recommendations!!! It is a pleasure working with you! Cheryl

After a number of "good but not great" holiday parties, we decided to do it this year...and POW! We had staff still laughing on Monday! Sean will be for more of our events because thanks to his quick wit and ability to interact, the show is entirely different! Thanks Sean for making our holiday party more than an event!!!
